Worship and Music in the Church

Leader: Cantor Tom

Location: Gymnasium

It has been 4 years since the introduction of Evangelical Lutheran Worship and nearly 35 years since the sweeping worship renewal begun by its predecessor, Lutheran Book of Worship. Yet many Lutherans remain perplexed by the meaning of it all. Each week of this 8-week series will offer a different perspective on some of the more popular topics while offering historical and scholarly analysis of what it means by the Lutheran expression of worship in the 21st century.
