

Ebenezer Lutheran Church Nursery Volunteer Duties

- Please arrive 5-10 minutes before worship service or Sunday School begins.
- Wear a name tag (found by sign-in sheet).
- Greet parents and children with a smile!
- Assign a parent a pager, turning it on to “vibrate” position.
- Ask parent if child needs a nap, a bottle, or if any special needs apply to the child.
- Ask if the child may have a snack and if there are any allergies to be aware of.
- If a child is crying, it is best for a parent to say goodbye and leave the room. Assure the parent that he/she will be paged if crying lasts more than a few minutes.
- Please make sure all children are picked up with clean hands, faces, and diapers. Begin this process 20-30 minutes before pick-up time.
- Remember to verify that the returned pager is left in the “off” position, since the batteries tend to have a short life.
- Before leaving, review the posted “Cleaning List.” It is important to clean the room and prepare it for the following Sunday.
- The nursery staff worker will assist you with any questions you have regarding nursery policies and volunteer expectations. You may also contact Jaime Henderson (803)608-3849 or Caroline Patrick (803)781-1864 if you have any questions or suggestions.

Thank you, thank you for your generous service to our children!
